

Whereas, *The Northwest Orange Republican Women, Federated, affirms the integrity of the international borders of these United States and the Constitutional authority and duty of the federal government to guard and protect these borders, including the regulation of the numbers and of the qualifications of immigrants into the country; and*

Whereas, *the Federal Government has wrongfully neglected its role to guard and protect our borders, and thus all Americans, from an unprecedented invasion of illegal aliens;*

Whereas, *the state of Arizona, has endured the worst of the illegal crossings into our country, and has passed Arizona Senate Bill 1070 which was signed by Governor Jan Brewer on April 23, 2010; and*

Whereas, this Arizona law enables its Law Enforcement officers to enforce federal immigration law using federal standards protecting the rights of all citizens, and requires them to do so without violating civil rights and without resorting to racial profiling; and

Whereas, *the Arizona law does not require new documentation such as national ID card, but uses existing identification documentation to establish a presumption of legal status;*

Therefore be it resolved, *that the Northwest Orange Republican Women, Federated, stands with the people of Arizona and applauds the State of Arizona and its Governor Jan Brewer for its recent action to protect and defend its citizens, our country, and the sovereignty of both the State of Arizona and the United States of America.*

Adopted 17, June 2010
