

Heavenly Father, we stand in awe of your greatness. You have made us in your image and blessed us with underserved grace and mercy. And we are eternally thankful.

We know when God's people are strong, our country prospers. For Your word says "By the blessings of the upright a city is exalted, but by the mouth of the wicked it is torn down."

So Lord, give us the strength to stand up and shout out loud for America. Help us to be bold and storm your throne in prayer. Engage us as instruments of justice. And equip us to do all in our power to elect your faithful servants, including the man and woman who will lead our nation in greatness – John McCain and Sarah Palin.

We ask this in your holy, precious name. Amen.

Holy, heavenly Father.

What an incredible joy to come before you this morning. We know where one or more are gathered in Your name, You are among us. So we open our hearts and minds to you this day and surrender our souls to your grace.

Lord, from your heavenly throne do our actions make you smile? Do our deeds bring you joy? Are we promoting your kingdom here on earth? Are we walking in Your truth?

Father the word "change" is being much used this campaign season. But the real change we need is the one You author and condone – godly change that keeps America a beacon of freedom and a pillar morality.

Lord we pray for your protective hand to be on Senator McCain and Governor Palin. Give them the courage of David and the wisdom of Solomon. And empower us as Republican Women to do all we can to assure their victory in November.

This we pray in your holy and precious name. Amen.

Precious Lord, how privileged we are to come before you today. You who created the cosmos open your arms wide to each of your children, in an eternal loving embrace. And we are so thankful.

Father, our great country is becoming more divided by the day. There are those who would remove You completely from our currency, our schools, our offices and government buildings. There are those who value neither the sanctity of life nor the marriage between a man and woman. And there are those who will do whatever it takes, regardless of legality or morality, to come out ahead.

Do not judge us because of the actions of these people Lord. We pray for your mercy. For we know the real winners are those who follow hard and fast after you. So, may we – the Republican men and women of America – be the winners in not only the battle for the White House, but in the battle for Your spiritual realm.

This we pray in your holy and precious name, Amen.
