

# Telephone Tree

*This telephone tree will reach 36 people per page with each person making only a few calls. Top person calls the next 4 who in turn call everyone listed within their calling "block" or about 8 calls each. Don't forget to keep adding new members to the lists and everyone who makes calls needs copies of their page! For smaller clubs, this is a snap!  
**2011 is our year to unite, communicate, motivate and get ready for 2012!!***
