## President's Desk

Happy 2011 to everyone! Our club is getting off to a good start. One of our most important goals is to increase membership. Margie Thorpe, our new membership chair, is going to do that by offering us the challenge of a contest. When one of our present members brings in a new member, the present member's name will be placed into a basket. The contest will run until April. Then we will have a drawing for a gift certificate to a local restaurant. So, let's get going, ladies! Every one of you should be able to recruit at least 1 new member!

A new project was suggested by Laura Reisinger and approved at the January meeting. The project is called Stand Down. We will be collecting gently used men's jeans for homeless veterans. Laura will bring a box at each meeting, so be on the look out for sales of men's jeans. Our other project is Packages from Home. We will have a packing party on March 12 from 10:30am to 12:30pm. Meet at the Pyle Center at 10am to car pool. If you have never participated, give it a try! Neville Cramer, a former agent for the

Justice Department in charge of immigration and naturalization, was our guest speaker at our January meeting. Mr. Cramer gave a very informative talk on the immigration problems in our country. February 28 is our next meeting with speaker, Shane Krauser on the subject of our US Constitution. Come to the meeting and be informed. Our new program chairman, Dayna Rasor, is doing a good job in selecting interesting programs.

Congratulations to Onnie Shekerjian on receiving an award from the Chamber of Commerce for her volunteer work! Also, congratulations to Teresa Devine, new member!

Our club is sorry to report the death of member, Georgia Hughes on December 27. At the January meeting we voted to send a \$50 check to the Pancreatic Association in her memory.

Make our meeting a priority, ladies. I look forward to seeing you on February 28.
